"USE THE BEST!"

MRS. WILSON'S HAIR REGENERATOR.

The Regenerator is put up in two sizes, and
retails for 50 cents for pint bottles, and \$1 for
quart bottles. The quart bottles are much the
cheapest.

Who wants a Good Head of Hair? Use
Mrs. Wilson's Hair Regenerator and
Hair Dressing.

Please read a few certificates from the following reliable
and well known people.

Messrs. HENRY P. WILSON & Co. My wife is now
using your Regenerator for the hair, and pronounces it
far superior to anything she ever used for the hair. It is
easily applied, does not irritate the scalp—has no disagree-
able odor, increases the growth of hair, prevents its fall-
ing off, and often cures the headache. I forward you this
certificate unhesitatingly, because I think an article
that will do what your Hair Regenerator will, should be
widely known. I think it is the best article for the hair
now in use.

Respectfully, &c.,
Rev. JACOB STEVENS, Newburyport, Ms.
"I like the Hair Regenerator and Dressing very
much."
Rev. Geo. W. Woodson, Hartford, Ct.
"Unhesitatingly pronounce it an invaluable article
from the effect on my own head."
S. A. HILL, wife of Rev. Henry Hill, Manchester, N. H.
"It rendered my hair soft and glossy."
Miss FARRAR, Saratoga Springs, N. Y.

"I feel confident that it operates as a dye, but
to restore the roots to their natural healthy state."
Rev. E. M. KILLON, Nashua, N. H.
Rev. C. H. HARTWELL, Lawrence, Mass.

Messrs. HENRY P. WILSON & Co. I have no hesita-
tion in saying, in my opinion, Mrs. Wilson's Hair Re-
generator and Hair Dressing are the best hair preparations now
in use. I shall continue to use them with pleasure.

Messrs. HENRY P. WILSON & Co. I have used your
Hair Regenerator and Hair Dressing, and have received
great benefit from them. I deem the articles worthy of
high commendation, and cheerfully recommend them to
all who want to restore their hair to its original color, or
to any who are troubled with dandruff, or a disagreeable
itching of the head, or humors, or to those whose hair is
falling from the head.

Rev. G. W. H. CLARK, Great Falls, N. H.

Messrs. HENRY P. WILSON & Co. I deem Mrs. Wil-
son's Hair Regenerator and Hair Dressing the standard
articles of all hair preparations. I have in many in-
stances, known them to restore the hair where it had
fallen off, remove dandruff, restore the hair to its original
color, cure entirely the most painful headaches—and in
some instances most serious humors. Personally, I have
been a sharer in several of these benefits.

Rev. HENRY HILL, Manchester, N. H.

MRS. WILSON'S
COCOA-NUT OIL
HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles,
and retails for 37 cts. per bottle, and for dressing the
hair of any person, young or old, there is not its equal in
the world. It will make the hair everything you wish it
to be, and moreover, it has a perfume that is infinitely
superior to any of the fashionable extracts, either foreign
or American, which alone should entitle it to a place on
every lady's toilet table.

Use the Regenerator before retiring at night, and
in the morning apply a little of the Dressing, and your
hair will be even more like its color and beauty.
Nothing on your hair but these preparations, and
use them according to directions, and we warrant you
a good healthy head of hair.

son & Co., Manchester, N. H., to whom all letters should

THE LATE REV. DR. LEONARD WOODS

Gentlemen: We the undersigned, Wholesale Drug-
gists, having for many years sold your Vegetable Pul-
monary Balm, are happy to bear testimony to its great
efficacy in the relief and cure of Pulmonary complaints.
We know of no medicine which has so deservedly sustain-

which more rarely disappoints the reasonable expecta-
tions of those who use it. — (Signed by many of the
largest and oldest Druggists in the U. S. and Canada.)

others, we have prescribed large quantities of your Pul-

DR. SWEET'S Infallible Liniment.

—THE—
GREAT EXTERNAL REMEDY.
FOR RHEUMATISM, GOUT, NEURALGIA, LUM-
BER STIFFNESS AND JOINTS, SPRAINS,
BRUISES, CUTS AND WOUNDS, PILES,
HEADACHE, AND ALL RHEUMATIC
AND NERVOUS DISORDERS.

For all of which it is a speedy and certain remedy and
never fails. This Liniment is prepared from the recipe
of Dr. Stephen Sweet, of Connecticut, the famous bone
setter, and has been used in his practice for more than
twenty years with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivaled by any
preparation before the public, of which the most skeptical
may be convinced by a single trial. It is a most effective
remedy, and will cure rapidly and radically. Rheu-
matic Disorders of every kind, and in thousands of
cases where it has been used it has never been known to
fail.

For NEURALGIA, it will afford immediate relief in
every case, however distressing.

It will relieve the worst cases of Headache in three
minutes and is warrantable to do so.

For NERVOUS Debility and general Lassitude,
arising from imprudence or excess, this Liniment
is a most happy and unailing remedy. Acting directly
upon the nervous system, it strengthens and revivifies
the system, and restores it to elasticity and vigor.

For PILES, as an external remedy, we claim that
it is the BEST known, and we challenge the world to
produce an equal. Every victim of this distressing com-
plaint should give it a trial, for it will not fail to
afford immediate relief, and in a majority of cases will
effect a RADICAL cure.

QUINCY AND SORE THROAT are sometimes ex-
tremely painful and distressing, but a timely applica-
tion of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlarge-
ment of the joints is liable to occur if neglected. The
worst case may be conquered by this Liniment in two
or three days.

BRUISES, CUTS, WOUNDS, SORES, ULCERS,
BURNS AND SCALDS, yield readily to the wonderful
healing properties of DR. SWEET'S INFALLIBLE
LINIMENT, which send according to directions. Also,
CHILBLAINS, FROSTED FEET, AND INSECT
BITES AND STINGS.

Every Horse Owner
should have this Liniment at hand, for its timely use at
the first appearance of Lameness will effectually prevent
those formidable diseases, to which all horses are liable,
and which render so many otherwise valuable horses
nearly worthless.

Over four hundred voluntary testimonials to the won-
derful curative properties of this Liniment have been
received by the last two years, and many of them
from persons in the highest ranks of life.

CAUTION.
To avoid imposition, observe the Signature and Like-
ness of Dr. Stephen Sweet on every bottle, and also
Stephen Sweet's Infallible Liniment, known in the
case of each bottle, without which none are genuine.

The Only Positively
FIRE PROOF SAFES
IN THE WORLD ARE THE

MARLAND PATENT.
Certificates of approval, in comparison with other infa-
mous safes, are on file at the State of Vermont, Dec. 21, 1859.

Messrs. Sherwin and Burgess, Agents for Marland's Pa-
tent Safe. I have examined the Marland's Patent Safe in
your store, and so far as I am able to judge of its fire
proof qualities, I believe the principle upon which it is
built, the most reliable in resisting heat, of any fire proof
safe that has come under my observation, and particu-
larly recommend it to the attention of Probate Districts
that are now supplying themselves, for the preservation
of their records.

Rev. W. DEAN, Sec. of State,
Brattleboro, Dec. 24, 1858. This may certify that we
have examined the Marland's Patent Fire Proof Safe, ex-
hibited to us by Mr. Anson Hardy, and that in our opin-
ion, Marland's Safe would be a desirable one to purchase
for the use of the Probate Courts.

Rev. T. T. FLETCHER, Judge of Probate,
Middlebury, April 27, 1859. The Legislature of Ver-
mont at its last session passed a law making it the duty
of County Judges to procure Fire Proof Safes, in which
to deposit Probate Records. In discharge of that duty
we have spent some time in examining a number of Safes
of various makes, and we have concluded to purchase the
one manufactured by M. B. Bigelow & Anson Hardy of Bos-
ton, Mass., is superior to any other we have examined for
that description for the New Haven Probate District, and
are well satisfied with its workmanship, apparent strength,
and durability.

DR. MARSHALL'S HEADACHE
AND
CATARH SNUFF.

THIS Snuff has thoroughly proved itself to be the best
article ever known for curing the CATARRH, COUGHS
IN THE HEAD, and the HEADACHE. It has been found an
excellent remedy in many cases of SORE EYES. DRAP-
NASS has been removed by its use, and HEALING has often
been greatly improved by its use. It purges out all ob-
structions, strengthens the Glands and gives a healthy
action to the parts affected. It is recommended by many
of the best physicians, and is used with great success and
satisfaction everywhere.

More than twenty-five years' experience has proved
its great value; and at this moment it stands higher than
ever before.

A large number of the most respectable Druggists in
Boston and New York, in a certificate signed by them in
1854 say:

"The undersigned, having for many years been ac-
quainted with DR. MARSHALL'S CATARRH and HEADACHE
SNUFF, and sold it in our wholesale trade, cheerfully
state that we believe it to be equal in every respect to the
recommendation given of it for the cure of Catarrhal
Affections, and that it is decidedly the best article we have
ever known for all the common diseases of the head."

Influence of bad Books.

It has often been remarked that a man is
known by the company he keeps; this is evi-
dently a better criterion by which to judge of
character than the cloth a man may choose
to wear. This idea of company, should em-
brace all the books a man may read, as well
as the society he prefers. The young girl
upon the western prairie searches the post-
bags of the pretended clergyman to find his
hymn book, to ascertain to what denomina-
tion he belongs, and her inference is very
just in regard to his real character, when she
discovers his bottle in connection with a
pack of cards.

A man of dissipated habits and vitiated
taste may sometimes read a worthy book, or
even pore over the contents of the Bible, but
he does not do this in keeping with his incli-
nation, and make these books his companions,
but it is done as a task or from some other in-
fluence aside from the love of its contents.—
Bad books are not only congenial to the de-
praved heart, but their influence is to render
the heart still harder and confirm it in its
wayward and vicious tendencies.

In a recent conversation with a man confin-
ed in our State penitentiary, he gave as the
procuring cause of his unfortunate condition,
the reading of novels in his early life. These
books he said, had enkindled in him a love
for wild adventures and excitement, which
had led him to the commission of crimes that
had involved him in his present misfortune.
And still this same young man has not lost
his relish for the kind of reading that has
blighted his fairest earthly prospect. When
the prison library is disbursed he is very an-
xious to get some thrilling story to read. His
appetite for this class of reading, is as insatiable
as the drunkard for his cups.

Parents should look carefully after the
character of the books and papers that are
brought within the family circle, for they
must have an extensive influence in educating
the children. It has been the cherished policy
of some of our city papers to give their
readers sensation narratives of accomplished
knaves and daring assassins whose exploits
have been those of successful crimes. We
need only to go to places of public resort to
see flaming handbills giving some illustrations
from a narrative of adventures published in
the columns of some entertaining weekly pa-
per devoted to popular fiction. If parents
wish to have their children look back with re-
gret from prison grates upon the educational
influences of such journals, let them foster the
appetite that eagerly demands such exciting
trash for its entertainment, and they will be
likely to reap bitter fruit from such a thought-
less culture of childhood.

WHAT DOES IT MEAN.—The *Western*
Advocate under the above heading says:

The Canada papers affirm that the British
Government is sending vast quantities of
arms and ammunition to that country, and that
before Winter there will be guns enough to
equip one hundred thousand men, and ammu-
nition enough for a three years war. What
does this mean? Does England intend to
take sides with the rebels against the United
States? Or does she mean to intimidate us
into a recognition of the Southern Confederacy?
There is certainly some motive for this vast
war preparation. What is it? The Ameri-
cans have a right to know. If no hostile
designs are intended or threatened, it will be
an easy thing for the British Government to
say so, and thus end the doubt.

As we have said before, so we repeat, that
a war with the United States is the wrong
way to get cotton. Great Britain knows
very well that this war has been forced upon
the slave power. Will she, after all the
blame she has cast upon us for our connec-
tion with slavery, now join herself with slav-
ery to crush out liberty from the American
continent? If not, what does she mean?—
We trust our Government will press this
question upon the attention of Lord Lyons.

PASTORS AND POLITICS.—On this the Cali-
fornia Conference passed the following reso-
lution

That the claims of God and the people,
whom we serve upon the pastoral and minis-
terial office, are so comprehensive and imper-
ative, and the integrity of the office are of
such inestimable importance to the success of
our cause, that we deem it proper to express
our strong conviction that no one employed in
the regular pastoral and ministerial work,
should accept office at the hands of any politi-
cal party.
